

Making a Difference

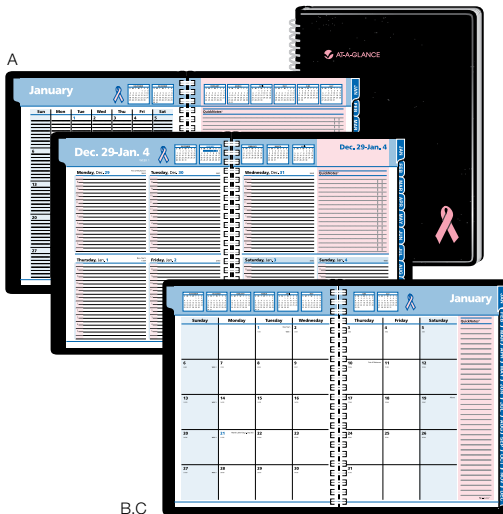

One out of eight women in the U.S. will develop breast cancer in her lifetime. Fortunately, more women are surviving breast cancer each day, due to earlier diagnoses and more effective treatments. At City of Hope, breast cancer services and technologies provide women with the best care available.

MWV, the makers of AT-A-GLANCE® is working with City of Hope in the fight against breast cancer.

Special Edition QuickNotes® Products

MWV supports the battle against breast cancer. Since 2008, over \$1,000,000 has been donated to City of Hope by MWV for breast cancer research, treatment, and education. For information about City of Hope, please visit www.cityofhope.org.
