

# BUYING GUIDE Staples

Choose the right staple for the type of stapler you are using, and choose the staple size that corresponds with the number of sheets you will be stapling.

## When selecting staples, consider:

### FOR DESKTOP AND STRIP ELECTRIC STAPLERS

Premium staples provide superior performance in a stapler. Not all stapler jams are caused by the stapler—some are caused by the staple itself. It's worth the money to prevent jams and frustration by buying premium staples with superior engineering.

### FOR HEAVY-DUTY STAPLERS

Use different size staples for different sheet capacities. Make sure you have the largest staple size to maximize the potential of your stapler.

### FOR SPECIALTY STAPLERS

Specialty staplers often take specialty staples. Make sure you choose the correct staple.

## CHOOSE THE RIGHT STAPLE

### CROWN STAPLES

Are used in specific staplers. Improves holding power.

### UNDULATED STAPLES

Are used in specific staplers. An offset crown with improved holding power.

### CARTRIDGE

Can hold up to 5,000 staples. Used in electric and heavy-duty staplers.
