

There is No Comparison!
WITH SECURIO SAVE UP TO
90%
ENERGY USED*

We take responsibility: for your data and our environment.

Professional data protection has become a necessity in every modern office. A strict environmental protection regime is becoming just as important. The SECURIO HSM document shredder combines the two. The intelligent power management system saves up to 90% of the power used by a conventional shredder without compromising on secure destruction of confidential data and documents. **Quality Made in Germany.**

HSM®

Great Products,
Great People!

HSM® SECURIO

HSM document shredders offer a large family of various document shredders, each one precisely tailored to a specific requirement. Solutions exist for home offices, work offices, IT departments or professional document shredding. The one thing that remains consistent is the high quality of our shredders which are Made in Germany.
